INTERNATIONAL ASSOCIATION OF MINISTRIES, INC.

FOREWARD

International Association of Ministries, Inc. has been formed that we may be able to assist and encourage each other, as well as all present, merging and potential ministries.

It is our heart's desire to love and honor the Lord our God with all our redeemed heart, spirit, soul and body; practice genuine love for one another; demonstrate true discipleship; live and walk before all men as exemplary in godliness and integrity; and to preach and teach the Gospel of our risen Lord Jesus Christ throughout all nations of the world for His eternal glory.

Our vision is to establish and reproduce worldwide inter-related churches and ministries as local expressions of Jesus Christ.

Our goal is for each minister, missionary, church and ministry to experience true visitation and revival.

We seek to accomplish this goal through:

- A. Personal and corporate prayer, covenant commitment to each other, and working together effectively in unity through the power of the Holy Spirit.
- B. Personal and corporate repentance of sin and renewal of our first love for Jesus Christ.
- C. Maintaining traditional doctrinal purity and stability while seeking and embracing current revealed truth; thereby staying on the cutting edge of what the Holy Spirit is doing today.
- D. Providing ministerial fellowship and accountability, meeting all legal, local and national requirements for non-profit religious status, duly recognized by state & federal governments.

- K. Helping each minister, missionary, church and ministry, identify, recognize and implement their God-given calling.

Based on Romans 16 and Ephesians 4:6, we believe that it is essential as an association to have undivided unity.

Based on Romans 14:1, 4, 12 and 22 in nonessential beliefs, we must grant and practice liberty.

Based on I Corinthians 13:2 and I Peter in all differences of belief, we must demonstrate tolerant charity.

ARTICLE VIII - PROCEDURES FOR BUSINESS MEETINGS

Being a fellowship whose emphasis is on being led by the Holy Spirit in accordance with the principles laid down in the Holy Scriptures, it becomes us to conduct our business and all transactions in the same manner. We will, first of all, in a spirit of prayer and humility, ask God to give us the mind of the Spirit, believing that He can still speak to the hearts of the people, giving them a spirit of wisdom and understanding. For this reason, meetings will not necessarily follow parliamentary procedure, with nominations and voting, but matters will be presented and the fellowship will make its will known by consensus, thus enacting the procedure established by the Church Council of Acts 15, which provides a Scriptural model, with these general principles to be followed:

1. A need or problem arose and was brought to the attention of the Elders. (Acts 15:1 - 5)
2. The Apostles and Elders came together to consider the matter. (Vs. 6)
3. A chief respected Elder gave an analysis of the situation. (Vs. 7, 8)
4. The multitude (church body) came together to hear the matter. (Vs. 12)
5. The Pastor (James, head Elder) rendered a judgment based on God's Word and the discussion of the other Elders and Apostles. (Vs. 13-21)
6. The saying pleased the Elders and the whole church. (Vs. 22)

7. Conclusion (on such a major matter) was written and made public for the whole church. (Vs. 23-29)
8. The decision made "seemed good to the Holy Ghost and us". (Vs. 28)
9. They continued the work of the Lord, based on this conclusion and decision. (Vs. 30-35)
10. God added His blessing, directing future activities, as Elders and Prophets continued to exhort, teaching and preaching the Word. (Vs. 32-35)

These ten points will be the pattern for decision-making and the general principles upon which this assembly will conduct its business meetings.

Thus, accepted standards of Parliamentary procedure will be used only as the Chairman may deem necessary to insure order and efficiency. This is in keeping with honoring Christ as the Head of the Church and submitting to His will and direction as revealed through the ministry of the Holy Spirit and Scriptures.

Democracy, a time-honored institution in America, is perhaps the best system of government in the secular world, if not the most efficient. It works well in a natural world when men do not trust one another and need representation with checks and balances, where men are not divinely called to their office and where there is no better, higher or more noble system available. However, we believe God has given a plan for His people which allows Him to still direct the affairs of men through the leadership of the Holy Spirit, by people chosen for their office and ministry.

ARTICLE IX - LOCAL CHURCHES

1. Local churches who qualify for affiliation with the International Association of Ministries, Inc., according to the provisions of Article (6) (c) will receive a membership certificate identifying them as "Affiliated with the International Association of Ministries, Inc." These certificates are annually renewable on a calendar year basis.
2. Local churches should conform to the fellowship principles and procedures as set forth in the constitution, particularly those procedures for receiving, accounting and disbursing of all funds. A secretary shall take and preserve minutes from all business meetings. A treasurer shall keep records of finances received and disbursed. (These two officers can be combined into one if necessary.)
3. Affiliated churches shall be recognized as tax-exempt non-profit organizations with the United States Internal Revenue Department. It is required that their Constitution and By Laws contain the following provisions:
 - A. The church is a member of the International Association of Ministries, Inc.
 - B. All church properties are the property of the local church, not individually owned, and are irrevocably devoted to church work.
 - C. No part of the net income may inure to the benefit of any private individual.
 - D. This local church is organized according to the General Non-Profit Laws of this State. The property of the church organization is irrevocably dedicated to religious and charitable purposes, and upon liquidation, dissolution or abandonment, after all financial liabilities have been paid in full, all assets shall be distributed to an organization, foundation or fund, organized and operated for religious or charitable purposes and qualified for tax exemption purposes according to the National Tax Exempt Code. At the time of dissolution the Board of this Assembly shall decide upon a recipient non-profit organization whose principles agree in general with this constitution and doctrinal statements, and the proceeds shall not accrue to the benefit of any private person or individual.

- E. Provision for accurate keeping of minutes of business meetings and financial records, by authorized or elected officers of the church.
4. The church shall provide the National Office of the International Association of Ministries, Inc., with two (2) copies of their constitution and By-Laws and two (2) copies of the State Charter. The local church shall have the privilege of making additional rules and regulations for the local church administration, but it must contain the vital provisions of Article IV (of Constitution) to have group coverage.
 5. The fellowship desires to encourage all men called of God to fulfill their ministry. It does not sit in judgment on those who have made mistakes, but leaves them with God. It is strongly recommended that when situations requiring discipline arise that ministers and churches follow the biblical method laid down by Christ and that every effort be put forth to secure reconciliation.
 6. Sovereignty and ethics: The sovereignty of the local church must not be violated as noted in Article IV of the constitution, "Relationship". Ministers and evangelists shall be perfectly free to go to all cities and places where God may lead them. Churches are perfectly free to cooperate, or not to cooperate, in special meetings. Churches and evangelists will be free to carry on their own missionary endeavors as God may lead them. It should be understood that all ministers are free to hold meetings in communities or cities as God may lead them. All ministers however, are obligated to function with ministerial courtesy and ethics. Their conduct should at all times exemplify a minister of Christ.

ARTICLE XII - AMENDMENTS

Amendments of the By-Laws of International Association of Ministries, Inc., may be amended at the annual meeting of the membership by two-thirds vote of the members present and in good standing.

Any proposed By-Law changes to be voted upon at the annual meeting must be presented to the membership 30 days preceding the annual business meeting of the fellowship.

All portions of the By-Laws that in any way conflict with the Articles of Incorporation or the Constitution of the International Association of Ministries, Inc., are hereby null and void.

ORDINATION AND LICENSING PROCEDURES

Because the goal of this Ministerial Fellowship is to cooperate with and support the local church and pastor, we normally ordain or license an individual upon the recommendation of the pastor and local church leadership. The ordination then takes place within and through the structure of the local church. There are some special circumstances where we would ordain or license someone who is not currently functioning within the structure of a local church, for example an individual or couple transferring credentials from another ministerial group.

It is our purpose to make these Ordination and Licensing procedures simple and uncomplicated. Your cooperation is greatly appreciated as we endeavor to serve you and the body of Christ.

General Procedure:

1. Make an application to the International Association of Ministries, Inc. and provide all requested information along with letters of recommendation from the pastor and two other individuals.
2. When the application and information have been received by the Secretary, they will then be reviewed by the Ordination and Licensing Committee. During this process, phone calls may be made to the applicant, the pastor and the references.
3. In most cases, the applicant will receive verification of acceptance or denial within a two-week time period. We may also require an official Ordination or Licensing Service where hands are laid upon the applicant for public recognition before certificates are given. If all is in order, the credentials are sent out as soon as possible.
